## About Dynamic Industrial

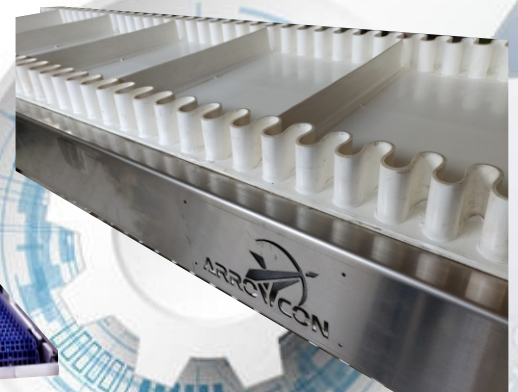

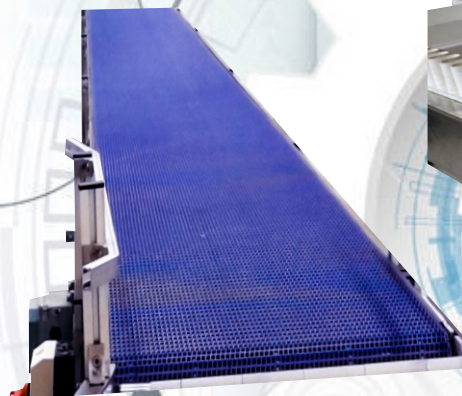

Founded In 1997, Dynamic Industrial Has Become One Of The Leading And Prominent Conveyor Manufacturers Of India, Spearheading The Upgradation And Turnaround Of Existing Models And Introducing Practically Advanced Conveyors And AGV's At Most Affordable Prices.

We Have Earned A High Reputation And Prestige Across India As A Torch Bearer Of Customized Conveyor Manufacturers. The Process Starts With Total Acquaintance With Customers' Requirements & Then By Offering Them Tailor Made Solution & Designs, Superior Quality And Engineering Of Conveyors And Automated Guided Vehicles. Our Conveyors And AGV's Are Quite Reputed To Bring Down The Labour Costs & Downtime Reductions; Effectiveness In Conveying Almost Everything, Right From Process To Packaging And Shipping.

## Application Areas

As The Name Suggests, A Conveyor Is A System Helping Conveying Of Various Material From One (or More) input Points To One (or More) Discharge Points. With The Growing Automation Needs, Arrowcon Conveyors Are Now Quite Popular In Many Industries, Like Warehousing & Logistics, Automotive, Consumer Durables, FMCG, Food & Pharma, Chemical, Textiles, Bakeries, Woodworking & Ply Mfg, Bottling & Canning, Printing, Packaging, Airports, Hotels & Hospitality And So On. Suitable For Transfers And Sanitisation Of Open Or Packed Material, Grains Or Granules, Crates Or Cartons, Chocolates, Spices Or Sugar, Boxes, Baggage, Bundles Or Other Products, Arrowcon Has Been In Service Of Niche Indian Industry With The Best Of Modern & Cost Effective Conveying

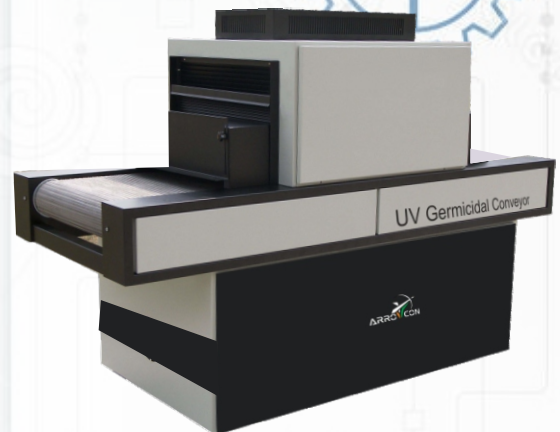

## A Conveyor/ AGV for every application

- \* Customised Conveyors
